Kind reference is invited to Clause 3 of the Essential Services Act 1942. It applies to all employment under the Govt and to any employment Notified by Govt to be employment to which the said Act applies. The Dept. wants to declare the employment of Managers Bill clerks Salesmen of the Govt Depots as belonging to the Essential Services. Even at present it is presumed that the employees are considered to be Govt servants though retained on a temporary basis. Sir,

Subject: Government Depot Staff -- Treating as "Essential Services" and granting a Special Duty Allowance to --

***

I have the honour to state that the Rationing Officer, Bangalore City reports that of late there have been several instances where Bill Clerks, Salesmen and Managers of Government Depots (Grain, Fuel a-nd Standard Cloth) are resigning and staying away from duty, thus causing considerable inconvenience not only to Government work but als to the public. With a view to avoid such inconvenience and to bring home a greater sense of responsibility to the Officials, the Rationing Officer recommends that these appointments should be declared as belonging to "Essential Services". He also states that in keeping with the additional responsibility devolving on them by the proposed measure and as an extra inducement to them to stay in their jobs, these employees may be granted a special Duty Allowance of Rs.5/-each per mensem. While agreeing with the proposals of the Rationing Officer, I am of opinion that similar conditions should apply to the employees of all Government Depots in the State.

2. In the circumstances, I request that Government may be kindly moved to declare the appointments of Managers, Bill Clerks and Salesmen in all Government Depots in the State (Foodgrains, Fuel and Standard Cloth) as belonging to "Essential Services" and to grant each such employee a Special Duty Allowance of Rs.5/- per mensem.

3. A copy of letter No.E1.516-159/44 dated 12-10-44 from the Rationing Officer, Bangalore City in the matter is enclosed for the information of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.
